

## How to **DOWNLOAD** your images/results report:

1. [www1.nuancepowershare.com](http://www1.nuancepowershare.com) - Login with your email and password.
2. Once logged in, click "**Images**" on the top navigation.
3. You will see a table with your name and birthdate - to the left click the **paperclip** for your Breast Ultrasound **Radiologist Results Report**.
4. To download your report click the **blue** attachment PDF file.
5. Your report will download as a **PDF** file. Check your "Downloads" file on your computer for access.
6. Once you have downloaded your report click "**< back to list**" at the top left corner of the table.
7. From the Images tab, select the image you want to download and choose **Download DICOM** from the menu options on the right side of the screen under the **Action** menu.
8. You will see a pop-up asking if you would like to include an **image viewer**. This is an **option** in case the person viewing your images doesn't have an image viewer.
